TECHNICAL DATA SHEET

Lubie Grind 1100 CARBIDE GRINDING OIL

DESCRIPTION:

Lubie Grind 1100 is a high-performance grinding fluid using premium additives, antioxidants, and synthetic base oils. Lubie Grind 1100 is designed to deliver exceptional lubrication and cooling properties for various grinding applications including all forms of carbide, stellite, and tungsten as well as stainless and tool steels, saw blades, gears, and other hard materials. Lubie Grind 1100 is formulated to reduce tool wear and improve surface finish, resulting in higher material removal rates and increased productivity.

TYPICAL SPECIFICATIONS:

APPEARANCE Yellow/Clear
SPEC. GRAVITY 0.840
VISCOSITY 62.9 SUS @ 100 F
FLASH POINT > 300°F

BENEFITS:

- High performance
- Premium additives & antioxidants
- Reduces tool wear
- Improve surface finish
